Scrap Iron Has Three Rocky Mountain Champions

Fifty-six teams competed for 14 championships at the SSUSA Rocky Mountain Championships. Twelve of our Scrap Iron teams played with three winning championships. The 60 High Octane and 60 Rockies won the Major and AA divisions respectively, and the 70 Reds won the AAA division. The 60 Rockies had to win their last five games after losing their first bracket game. Our 60 Freedom team put the Rockies in the elimination bracket by winning the first round game. The Rockies however came back to win the Championship and If games against Freedom.

We Still Need an Email Blast Author

We need to keep Club information flowing. I've enjoyed the task, but five years is enough. My last blast will be in December.
