

# SCRAP IRON Softball

Volume 2, issue 7

July 2019

## June & July combined edition

Do to strange things that happen to computers that nobody can explain the June edition was never sent out. It is on the web page so please check it out. I put together the newsletter and send it over to Rick Keller and he proof reads it than through our checking system between the two of us we decide it's worthiness, than he sends it out. Somewhere in the middle of all this it froze up, he couldn't open it and neither could I. Please enjoy this combination edition of June & July.

*Happy Independence Day*

## Bat Boy Billy

Reprinted from the June newsletter

Dear Billy,

I was wanting to know what the difference there is between 70 AAA and 70 Major?

Signed Kathy

Dear Kathy,

In my opinion the difference is consistency, more consist hitting and fielding. But that's just what I think, personally I have not played either, so let's put that question out to our readers. Someone please if you have experience in this matter please answer this question and I'll get it posted in the next newsletter.

## Why Do You Get To Have All The Fun?

It has come to the Scrap Iron Club's attention that there may be several (many?) senior women's softball players in Colorado, or the surrounding area, who might want to play competitive tournament softball but have never been given the chance. Well, here is their opportunity. Mary Harteker is looking to put a team together in the 60+ or 65+ age groups to challenge those existing teams in southern California and on the east coast. If you have a spouse or female friend, age 60-70, who might be interested in playing women's tournament softball, please contact:

# Team News

**Scrap Iron Alliance**, won the 50 AAA Tulsa Oil City Classic 4-5 May with a record of 6-1. We went 2-0 in pool play and were the #1 seed. Won the first game in bracket, then lost. We won three in a row after that and double dipped the team that beat us 28-17 and 16-11. Leading hitters were Jesse Rodriguez .875, Phil Lambert .857, John Karagiannes .800, and Will Connor .786. **Congratulations guys well done!**

**Scrap Iron Diamonds**, we had a great time in Reno, struggling with only 11 players due to Wednesday league injuries, O' and one Zip line accident with a large pole! We have new nicknames for three of our players, "Jimmy the Lip, Jerry fingers, and now Tom the Pole Dancer"!!! Although we didn't place we had a good time. Top 3 hitters were Tim Kirby, Joe LaRoue, & Marce Leija.

## Note from the editor

Please note, this is a newsletter, it's intent is to share news throughout our club. All of us who read this newsletter want to know how our Scrap Iron brothers are doing. Reading that our Scrap Iron Alliance team won the Tulsa tournament makes me proud and happy for them. Unfortunately for me, I don't know very many players on that team, however I see their win as a win for all of us. Please, managers send me some news about your wins, or losses, or what's going on within your team. Don't forget we love pictures, team photos, action shots, even shots off the field fun. My goal for this newsletter is to bring us closer together as a club, I need your help doing this. Also, remember any submissions are welcome, you don't need to be a team manager, in fact if your team isn't posting your teams news, you can do it. Thank you very much in advance.

**Winning or Loosing Enjoy every second of Every Game**
