Did you know?

Our Scrap Iron Club is the largest organized softball club in the World.

Annual Banquet

Our annual banquet will be January 27, 2018. This is the only time our entire club comes together for fellowship and fundraising. It is always a good time to see old friends during the off season, and to honor those receiving awards. This year we will be inducting members into our Hall of Fame, awarding our clubs highest award the Ken Green award, and see many of our teammates receive awards from their teams. We also will be having a silent auction, where you can bid on valuable items that were graciously donated. There will be a raffle, which is always lots of fun.

If you are a member of the Scrap Iron club you should make every effort to attend and show your support. The Banquet starts at 7:00 pm with guests arriving at 6:00 for happy hour. Again the venue will be The Franciscan Events center, 6553 S. Revere Parkway, Centennial, Co. 80111. Cost is \$40.00 per person, wives, family & friends are encouraged to come. Please notify you team manager with the number of tickets you will need, your team manager will also be collecting your money and will be paying for your team with one check.

Donations

Our Scrap Iron Club is a registered 501(C) 3 nonprofit club, its purpose is to provide a place for senior softball players to participate and play in local, national, and international leagues and tournaments. We rely on donations from corporate and individuals for our existence. No donation is too small! Please consider us when making your donations to charitable organizations.

Spotlight, Rockies

The Scrap Iron Rockies were formed in the spring of 2005, originally it was named Scrap Iron Northern because all the players were from up north (where all the cool kids live) Loveland, Fort Collins, & Greeley. As time passed players joined from the Denver area and even Farmington, NM. The name northern just didn't apply any longer. The team had a contest to re-name the team, the winner received a free dinner at our next out of town trip. Some of the names were quite humorous with some names that shouldn't be repeated. Kelly Hallman suggested the Name Rockies, and the team voted it so. The team was originally formed by Art Graebe who managed until 2017, when he took over the management position of Bart Prieve on the Diamonds. Art turned the team over to Joe Hernandez who is doing a tremendous job. The Rockies have 3 National Championship titles, with several champion wins and way too many second place titles. GO ROCKIES!!!
