Last Chance to Purchase Senior Bats Before Our Banquet

If you intend to help the Club by purchasing a bat, we need your order ASAP. Miken Ultra II bats have been a large draw for our banquet raffle for several years. Miken has provided free bats based on the number of bats we purchase through the Club. This year sales are very slow and we only have a few days until the banquet. Take time today to place your purchase with Mike Massong. The attached flyer tells you how to purchase your next bat.
