### Introducing Scrap Iron Hall of Fame Class of 2020

#### **Honoring Scrap Iron Hall of Fame Inductees – from the President, John Parisi**

The Scrap Iron Hall of Fame is a prestigious honor. There are four categories a person can be nominated in: as a player, manager, old timer, and for special reasons. To be nominated, the person must be a club member for at least five years and over the age of 60 (old timer is 72+). Any club member can nominate an individual. The selection process is then determined by the Hall of Fame committee. To be elected, a 2/3 majority vote by the committee members is required.

Hall of Fame inductees are individuals that have excelled for an extended period of years and demonstrated attributes that make us proud to honor them as some of the best in the Scrap Iron organization. I honor them as they honor our organization. Congratulations!

#### **Words from Terry Goodrich, HOF committee chairman**

The Scrap Iron Senior Softball Club is proud to announce the Hall of Fame Class of 2020. The following individuals have exhibited the quality and character that is the hallmark of our club...and they are pretty good ball players, also! This special Hall of Fame edition of the Scrap Iron newsletter will introduce you to them since we won't have a banquet this year to honor them properly. Until we can all get together and celebrate them please congratulate Ed Clark, Jerry Bost, Marce Leija, and Old Timer Mike Edwards next time you see them. And remember, any Scrap Iron member can nominate another member for the Hall of Fame. If you are interested contact your coach or any SI Board member for more information.

Jerry Bost, Player category

i normally don't join clubs or organizations but joining Scrap Iron was a positive from the "get go." I feel that this honor bestowed upon me came from playing and interacting with all the members of Scrap Iron over the years. Scrap Iron is a classy organization and the good folks in it inspire me to be a better person, player, and teammate. Thank you very much for the honor of being a part of many teams and for this nomination.

Mike Edwards, Old Timer category

Thank you to the selection committee & the club for the HOF award.  
I want to especially thank my 4 managers & all of my outstanding teammates that have enabled me to achieve this special honor.
